

Daniele Ronchetti

Scientist for Data Analysis

✉ Email in LinkedIn 🐙 GitHub

About me

I am a results-driven individual with a passion for computational problem-solving and software development. With expertise in Python, MATLAB, and $\text{\LaTeX}$, I bring technical precision to every project. My collaborative approach and dedication make me an effective team player and a reliable leader in cross-functional environments.

Personal Information

Daniele Ronchetti
Nationality: Italian
Born: 6 Sept. 1996 in Lecco, IT
🏠 Schreinerweg 36, 22549 Hamburg, DE
☎ +39 339 8544355
☎ +49 157 52474668

Programming and Tools

Python • $\text{\LaTeX}$ • Linux • Git
• GitHub • Jupyter

Figures

📊 70% proposals' acceptance rate (7/10)
⚡ Participation in 23 experiments (1 as main proposer) at XFEL facilities worldwide
🌐 7 talks at international conferences

EXPERIENCE

2026–present

Data Scientist

EUROPEAN X-RAY FREE ELECTRON LASER · Schenefeld, DE 📍

...

2024–2024

Internship Trainee

SACLA, RIKEN · Sayo, JP 📍

- Planning and performing **experiments at X-ray Free Electron Lasers large scale facilities**.
- Supporting external users.
- **Development of a Python module** for data analysis of large datasets.
- **Development of Python scripts** for control of experimental setups.

2023–2026

Tour Guide

DESY · Hamburg, DE 📍

Led technical and dissemination tours for non-expert audience.

2021–2026

PhD Researcher

FS-TUXS GROUP @DESY · Hamburg, DE 📍

PhD project on controlling x-ray scattering properties via manipulation of transient electronic states.

- **Simulating** x-ray scattering in out-of-equilibrium systems.
- **Leading** the design, planning, and execution of **experimental campaigns at X-ray Free Electron Lasers**.
- Specialization in **non-linear and attosecond X-ray science**.
- **Development of Python codes for data analysis of large datasets**.
- **Supervision** of 1 B.Sc. thesis project and 2 internship students.

2023–2023

Teaching Assistant

UNIVERSITÄT HAMBURG · Hamburg, DE 📍

Conducted exercise classes for the course of Physics IV (Solid State Physics).

EDUCATION

2026 **Physics**

Dr. Rer. Nat.

Universität Hamburg

📍 Hamburg, DE

2021 **Engineering Physics**

Master of Science

Politecnico di Milano

📍 Milano, IT

MAIN SKILLS

Data Analysis

XFELs' science

Python

$\text{\LaTeX}$

AWARDS

European XFEL 2025 Users' Meeting
UOEC PhD Posters Prize - 21.01.2025

"You play how you train"
