

Daniele Ronchetti

Scientist for Data Analysis

✉ Email [in](#) LinkedIn [G](#)itHub

About me

I am a results-driven individual with a passion for computational problem-solving and software development. With expertise in Python, MATLAB, and $\text{\LaTeX}$, I bring technical precision to every project. My collaborative approach and dedication make me an effective team player and a reliable leader in cross-functional environments.

Personal Information

Daniele Ronchetti
Nationality: Italian
Born: 6 Sept. 1996 in Lecco, IT
🏠 Schreinerweg 36, 22549 Hamburg, DE
☎ +39 339 8544355
☎ +49 157 52474668

Programming and Tools

Python • $\text{\LaTeX}$ • Linux • Git
• GitHub • Jupyter

Figures

📊 70% proposals' acceptance rate (7/10)
⚡ Participation in 23 experiments (1 as main proposer) at XFEL facilities worldwide
👥 7 talks at international conferences

EXPERIENCE

Scientist for Data Analysis
EUROPEAN X-RAY FREE ELECTRON LASER

2026–present
Schenefeld, DE

Internship Trainee
SACLA, RIKEN

2024–2024
Sayo, JP

- Planning and performing **experiments at X-ray Free Electron Lasers large scale facilities**.
- Supporting external users.
- **Development of a Python module** for data analysis of large datasets.
- **Development of Python scripts** for control of experimental setups.

EDUCATION

2026 **Physics**
Dr. Rer. Nat.
Universität Hamburg
📍 Hamburg, DE

2021 **Engineering Physics**
Master of Science
Politecnico di Milano
📍 Milano, IT

MAIN SKILLS

Data Analysis	████████████████████
XFELs' science	████████████████████
Python	████████████████████
$\text{\LaTeX}$	████████████████

AWARDS

European XFEL 2025 Users' Meeting
UOEC PhD Posters Prize - 21.01.2025

"You play how you train"
